In Hope Church YHWH speaks to the hearts of the members in choosing His Man.

Before the choice is made, every member must "consecrate" himself or herself.

After this we need to have listening ears:

To God's voice.

To the thoughts and feelings of others.

Then each one of you must respond to that leading.

When each one of you have gone through this process, then you will be able to obey, like Samuel.

And YHWH will reveal His choice.
